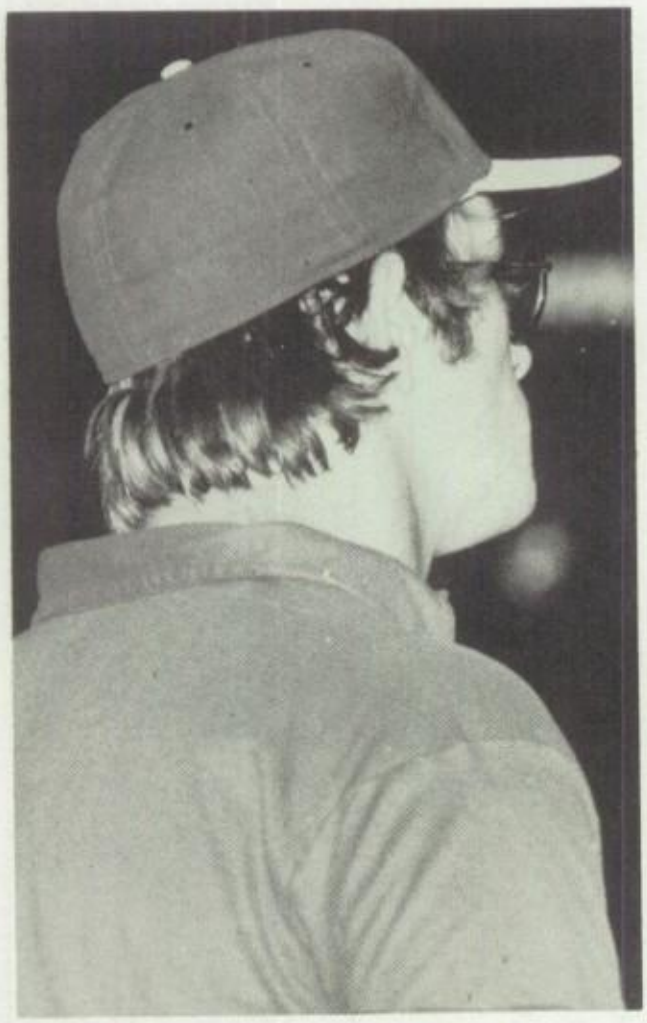
COLONELS ROB BANKS

Faculty "78-79"

Editor: Alicia Dean



Principal: Mr. Homer Wesley

Woodlawn High School is a beautiful building, but a building is only a building, constructed of steel and cement; it is the teachers and students who are attending and who have attended the school that make it great.

Year after year, cars and buses empty their precious cargo each morning and people stream in waves into the halls and classrooms. The bell is the timekeeper for movements to and from class. Finally, at the end of the day, the students and teachers return to cars and buses for the trip home. Another day has ended.

Each individual who attends Woodlawn becomes a part of the school, he or she contributes to the school in many ways and in return gains from experiences while attending the school.

We are proud of Woodlawn, but each year we need to work to maintain the standards that we have set. Each year it becomes even more important to have the cooperation of the parents, the hard work and dedication of the teachers, plus the enthusiasm and spirit of the students to keep Woodlawn in the hearts of all the students who come our way.

WOODLOG DEDICATION

Mrs. C. P. Goree

The Woodlog Staff is happy to dedicate the 1979 Woodlog to Mrs. C. P. Goree. Mrs. Goree is known as a hardworking and dedicated teacher, having been teaching at Woodlawn for 8 years and 26 years in all. Mrs. Goree attended high school in Montgomery and went to Alabama State University. She devotes much of her time to church activities and is the sponsor of the Red Cross club here at Woodlawn. She loves to see her students do well in life and often teaches them a favorite thought of hers — "A good teacher never dies, but lives on in the hearts of her students."
